

Training recommendations for your role in Netball

 The right safeguarding training for you depends on your role, the age range your club caters to, and your safeguarding experience and knowledge

 Interactive sessions are much more beneficial to specific roles. We recommend elearning only for the roles specified (marked with *)

 We advise continual professional development for all roles once the recommended training has been completed

 If you are **renewing your training**, we currently only accept the training levels detailed in this document

 If you have a qualification in Safeguarding and Protection of Children & Young People through your work, this is acceptable as Specialist Training, providing you can evidence this

Your role in Netball	Children & Young People (Junior Clubs)	Adults at Risk (Adult Clubs)
Club or League Safeguarding Officer	Specialist Training – minimum 2.5-hour tutor led training (valid for 3 years): <ul style="list-style-type: none"> Safeguarding and Protecting Children Workshop - UK Coaching Safeguarding Officer Training - Time to Listen 	<ul style="list-style-type: none"> Introductory Training for Safeguarding Adults in Sport & Activity - ACT (anncrafttrust.org) Essential Training: Safeguarding Adults in Sport & Activity (anncrafttrust.org)
